

BT8300

FULL SERVICE VIDEOWALL MOUNT WITH MICRO-ADJUSTMENT

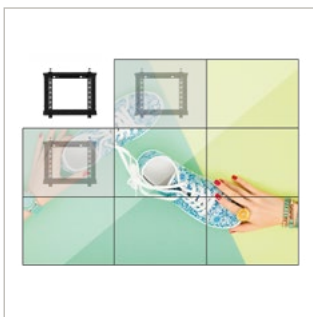

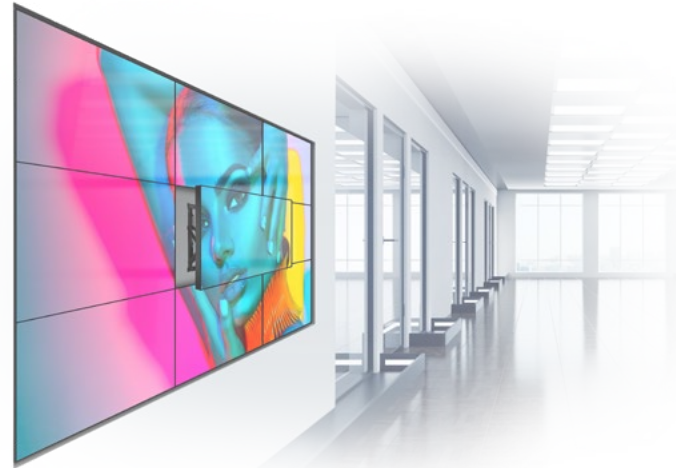

Designed to make videowall installations as simple as possible, this modular videowall mount can be used to create unlimited videowall configurations in both landscape and portrait format. The BT8300 has a low profile design, ideal for mounting into walls with a shallow recess or when space in front of the wall is minimal. The pop-out system enables quick and easy access to the rear of mounted screens for servicing and maintenance and +/-4mm micro-adjustment makes accurate screen alignment quick and easy.

SPECIFICATION

Recommended screen size	42" - 70" (46" - 70" in portrait)
